## "OHSAA Sports Report" Video

Parents,

Once each year, parents and athletes are required by the Ohio High School Athletic Association to watch a video that explains eligibility requirements, sportsmanship, and other rules and regulations pertaining to participation in school sports. The video only needs to be watched once per school year, not once for each sport.

The Shawnee High School athletic office has reported to your coach that their records indicate that you and your athlete have not yet seen the video this year. If you believe this is in error and you recall watching the video this school year, please write a note explaining such and give it to Coach Freewalt. Please include in the note the name of the athlete, whether you watched the video at a parent's meeting (indicate sport) or whether you watched the video online and took the online quiz. Sorry for your inconvenience.

If you know you have not yet watched the video and still need to do so, you can watch it online on the school's website at <http://www.limashawnee.com> .

1. If you haven't done so already, you will first need to register with the Shawnee Web Portal via the "**Register**" link on the upper-right of the limashawnee.com home page. **IMPORTANT:** when you register, please include your last name in the username you create (ex. freewalt5). Once you've registered, it may take a little while before your registration is confirmed and you are allowed to watch the video.
2. Just hold your cursor over the "**Athletics**" tab near the top of the page and a drop-down menu should appear.
3. Click "**OHSAA Sports Report**" from the menu.
4. Simply watch the video and then take the easy online quiz.
5. After taking the quiz, an electronic notification will be sent to the Shawnee athletic office and a confirmation page should appear. If possible, please print this page and give it to Coach Freewalt as a backup.

Please watch the video and take the online quiz as soon as possible (before our first meet) to fulfill this state requirement and avoid ineligibility. If you have any questions, please feel free to contact Coach Freewalt at [coach@freewalt.com](mailto:coach@freewalt.com) or send a note along with your athlete. Thank you.
